If you do not have such authority, or if you or such person do not agree to follow and be bound by the Agreement and the Privacy Policy, you shall not order Programs or Services, or use Programs or Services. Hereinafter Nord and the Client each referred to as a "Party" and collectively the "Parties".

Nord and the Client hereby agree, at a free will, as follows:

1. SUBJECT MATTER

1.1 This Agreement governs (a) access to and use of the Programs and (b) provision of Services. Nord makes available Programs for use and provides Services in accordance with this Agreement and Norwegian health, safety and environment laws within the boundaries of Nord's competence.

1.2 The Client has the sole responsibility and liability for implementation, compliance, control and consequences of provided Programs and/or Services as administration, recommendations, and/or suggested measures. The Client has the sole responsibility for all accidents, injuries and any violations of requirements of laws and regulations, as well as any other laws.

1.3 If the Client orders any Program, Nord grants to the Client during the Term a limited non-exclusive license to use the Program solely in accordance with this Agreement. This licence is non-transferable (subject to Section 12.4) and non-sublicensable.

2. PAYMENT

2.1 In consideration for the Programs and Services, the Client shall pay Nord all applicable Fees for the Programs and Services, in accordance with prices set forth by Nord in the currency indicated on the Invoice. Fees are non-refundable except as required by law or as otherwise specifically permitted in this Agreement. The Client authorises Nord to charge the Client for all applicable Fees using the Client's selected payment method. The Fees are subject to adjustment each year, with the month's written notice, in accordance with the change in the consumer price index.

2.2 The Client shall pay Nord invoices according to the payment terms set forth in the invoice. The Client shall pay Nord invoices according to the payment interval set forth in the Order Form, Nord invoices and/or otherwise specified by Nord. Nord may immediately suspend or terminate the Programs and/or Services if Fees or costs are overdue. The Client shall provide complete and accurate billing and contact information to Nord. In addition to any other forms of acceptance, the Client shall be deemed to have accepted the Services provided by Nord as appropriate if invoice for the Services has been paid.

2.3 Fees are exclusive of taxes and the Client is responsible for all Taxes. Nord will charge Taxes when required to do so. The Client shall pay Nord net of any applicable Withholding Taxes.

2.4 Nord may charge automatically for the renewal of Term and/or making the Programs available for use of the Client during each Renewal Term, unless the Client duly notifies Nord that the Client wants to terminate this Agreement in accordance with Section 4.3.

2.5 Nord may revise Program and/or Services rates by providing the Client at least 30 (thirty) calendar days' notice prior to the next charge; in such a case the Client can terminate the Agreement according to Section 9.3.

2.6 The Client shall also cover travelling expenses and hotel accommodation expenses related to provision of Services, if applicable.

2.7 Subject to mandatory provisions of Norwegian law, if the Client fails to duly and timely pay any amount payable by the Client under the Agreement, then the Client shall pay default interest of 0,25% per calendar day on any overdue amount, plus all expenses of collection. We may refer to a debt collection company in case of delays in payments, that will apply their charges. The Client undertakes to cover such debt collection company charges.

3. INTELLECTUAL PROPERTY RIGHTS

3.1 Except as expressly set forth in the Agreement, this Agreement does not grant the Client any Intellectual Property Rights in the Services, Programs or Nord trademarks and brand features.

3.2 Nord or its licensors retain all ownership and intellectual property rights to Materials, Programs and Services. Nord retains all ownership and intellectual property rights to anything developed by Nord and delivered to the Client under this Agreement resulting from the Services and/or Programs (including, without limitation, databases). If third party technology that may be appropriate or necessary for use with some Nord Programs (if applicable) is delivered by Nord, it is licensed to the Client under the terms of the specified third party technology license agreement and not under the terms of this Agreement. If such third party technology is delivered by a third party then the Client and such third party shall separately agree on the applicable license terms and Nord shall have no liability with respect to the use of such third party technology. The Client may not:

3.2.1 remove or modify any Program markings or any notice of Nord's or its licensors' proprietary rights, original titles, trademarks or copyright notices;

3.2.2 make the Programs, Materials, or deliverables resulting from the Programs and/or Services available in any manner to any third party;

3.2.3 contribute to or allow the Program to be decompiled or edited for the purpose of reconstructing the source code; and/or cause or permit reverse engineering (unless required by law for interoperability), disassembly or de-compilation of the Programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by Programs); or

3.2.4 disclose results of any Programs or Services performance and/or benchmark tests without Nord's prior written consent.

4. TERM AND TERMINATION. SUSPENSION

4.1 This Agreement shall remain in effect for the Term, and cannot be terminated before the end of the then-current Program Term and Service Term, except termination under provisions of Section 4.

4.2 Subject to terms and conditions of this Agreement and terms of payment in Section 2, Nord will provide the Services to the Client for the Services Term, and provide access to and make available for use of the Programs for the Program Term.

4.3 Following the Initial Term or a Renewal Term, the Agreement will be renewed automatically under the same terms and conditions (subject to provisions of this Agreement) for a Renewal Term, unless either Party gives the other written notice of termination 90 (ninety) calendar days prior to the expiry of the then-current Program and/or Services term. All Client's Program subscriptions and provision of access to and making available for use of the Programs to the Client under this Agreement will be renewed for each Renewal Term. Renewal does not imply any deferment of existing obligations.

4.4 Either Party may terminate this Agreement if: (i) the other Party is in material breach of the Agreement and fails to cure that breach within 30 (thirty) calendar days after receipt of written notice; or (ii) the other Party ceases its business operations or becomes subject to insolvency proceedings and the proceedings are not dismissed within 90 (ninety) calendar days. Nord may terminate this Agreement and suspend the Client's access to the Programs and/or Services if required to do so by law or for a violation by the Client of the Agreement.

Disclaimers and Limitation of Liability), 11 (Applicable Law) and 12 (Miscellaneous Provisions). Notwithstanding the foregoing, Section 8 (Third-party Requests) shall not survive termination if Nord has exercised a right to terminate the Agreement. The Client confirms its understanding that termination of this Agreement shall result in termination of all representation of the Client by Nord in any public institutions.

4.7 If a Client and/or an End User: (a) violates this Agreement and/or fails to duly and timely pay any amount payable by the Client under the Agreement and/or any Nord's invoice; or (b) uses the Programs and/or Services in a manner that Nord reasonably believes will cause it liability, Nord may suspend or terminate (a) the applicable Client and/or End User accounts, (b) access to any Programs, and/or (c) Services to the Client (including issuance of any course certificates and/or evidence of completion).

4.8 Notwithstanding anything in this Agreement, if there is a Security Emergency, Nord may suspend use of the Programs and/or Services automatically.

10.2 The Party seeking indemnification will notify the other Party promptly of the claim and cooperate with the other Party in defending the claim. The indemnifying Party will have full control and authority over the defence, except that: (a) any settlement requiring the Party seeking indemnification to admit liability requires prior written consent, not to be unreasonably withheld or delayed; and (b) the other Party may join in the defence with its own legal representation at its own expense. The indemnities above are Nord and the Client's only remedy under this agreement for violation by the other party of a third party's intellectual property rights.
